### **A BRIEF WRITE - UP OF THE PROGRAMME**

On May 10, 2022, KC Group of Research and Professional Institutions organized a session on the history of ancient India conducted by Er. Suryakant Singh. The session aimed to provide insights into the rich cultural heritage and historical significance of ancient India.

He delivered a comprehensive presentation on various aspects of ancient Indian civilization. The session covered topics such as the Indus Valley Civilization, Vedic period, Mauryan Empire, Gupta Empire, and other significant historical periods in India.

During the session, Er. Suryakant highlighted the contributions of ancient Indian scholars in the fields of mathematics, astronomy, medicine, and philosophy. He also discussed the social structure, religious beliefs, and cultural practices prevalent in ancient India.

The participants of the session were actively engaged in discussions and asked insightful questions to deepen their understanding of the subject matter. The interactive nature of the session encouraged a lively exchange of ideas and perspectives among the attendees.

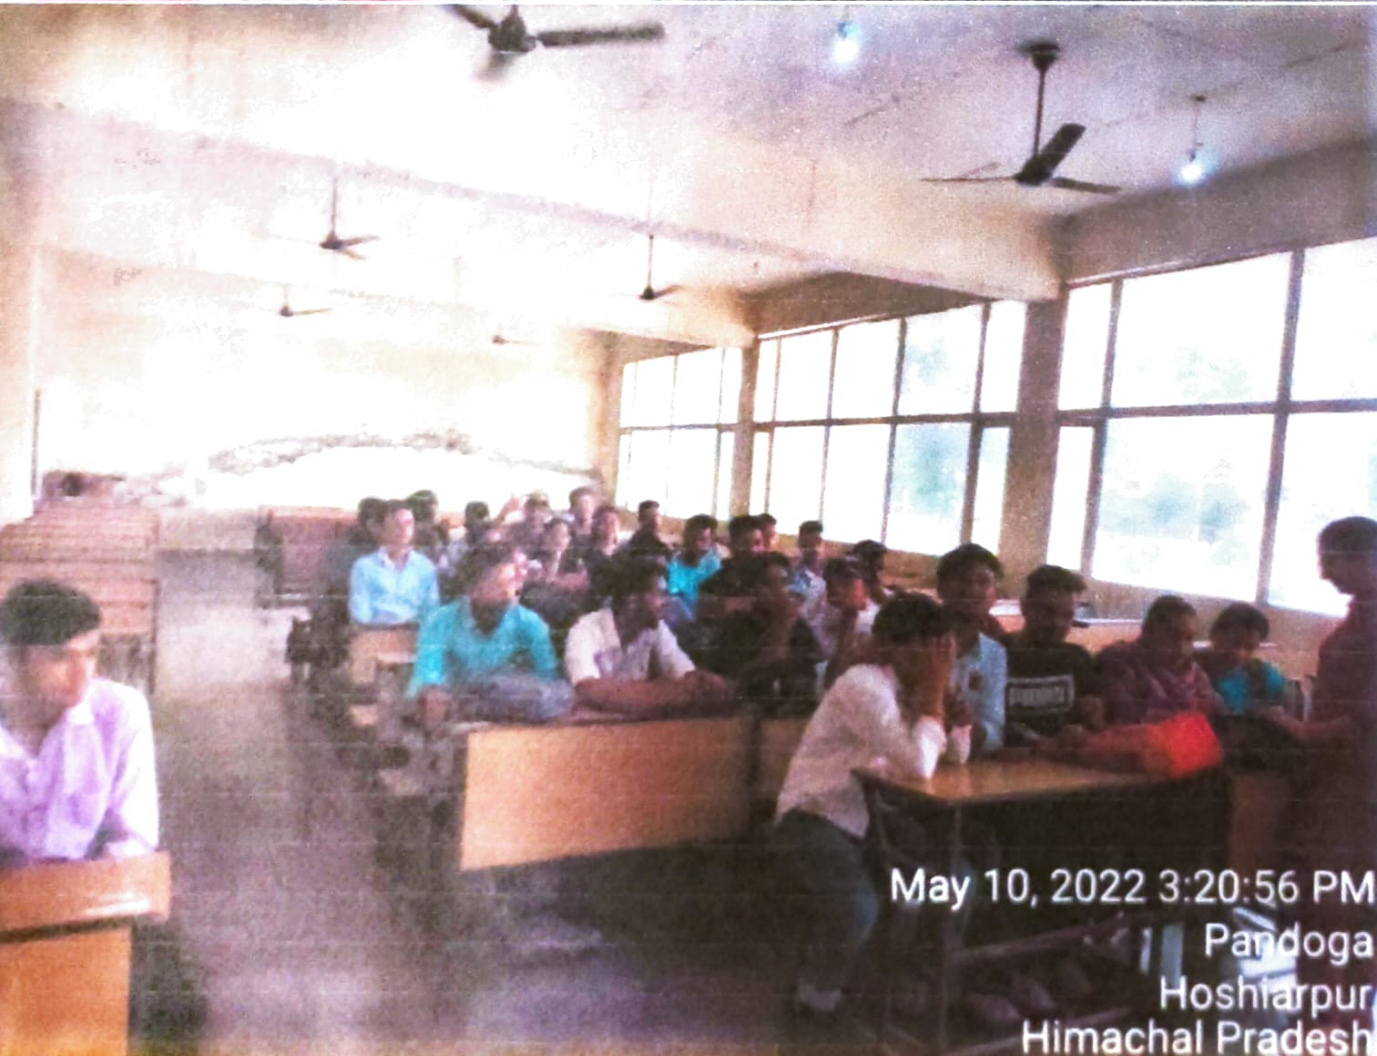

Overall, the session on the history of ancient India by Er. Suryakant was highly informative and engaging, providing valuable insights into the rich historical legacy of India. The participants expressed their appreciation for the knowledge shared during the session and commended KC Group for organizing such an enlightening event

*This session will definitely help students to enhance their knowledge for any civil services exam as history has always been an important topic for any competitive exam.*
