

**KC GROUP OF INSTITUTIONS, PANDOGA, UNA
REPORT ON TREE PLANTATION DRIVE**

Date: 23rd February 2024

Venue: Campus Premises, KC Group of Institutions, Pandoga

Objective:

The Tree Plantation Drive was conducted with the aim of promoting environmental awareness and contributing to a greener and healthier ecosystem within the institution and surrounding areas.

Event Description:

- **Location:** KC Group of Institutions, Pandoga, Himachal Pradesh
- **GPS Coordinates:**
 - **Latitude:** 31.506386°
 - **Longitude:** 76.148849°
- **Time:** 11:42 AM (GMT +05:30)
- **Date:** 23rd February 2024

The event began with an environmental pledge, where faculty and staff committed themselves to protecting and nurturing nature. This was followed by the plantation of various tree saplings within the campus.

Participants:

- Faculty and administrative staff members
- Environmental coordinator and volunteers
- Students and support staff
- Principal and senior management of the institution

Activities Conducted:

- Environmental pledge ceremony
- Plantation of saplings of native species around the campus
- Brief address by the principal highlighting the importance of trees and sustainability

- Placement of name tags on saplings to encourage monitoring and care

Outcome:

- A total of **25+ saplings** were planted
- Increased awareness among faculty and staff about environmental responsibility
- Enhanced green cover and beautification of the campus area
