Report on Industrial Visit to Meander Software Solutions

Organized by: KC Group of Research & Professional Institutes
Department of: Computer Science and Technology
Date: 15 February 2025

Introduction

The Department of Computer Science and Technology at KC Group of Research & Professional Institutes (KCGRPI) organized an industrial visit for B.Tech CSE /BCA students to **Meander Software Solutions** in 15 February 2025. The visit was aimed at providing students with industry exposure and practical insights into the latest trends in the IT sector. More than 50 students actively participated in this visit along with faculty members.

Industry Visit at Meander Software Solutions

Upon arrival at Meander Software Solutions, the students were welcomed by the company's team of developers and designers. They provided an informative session, addressing various technical queries raised by the students. The experts shared valuable insights into **current trends in the IT industry, software development methodologies, and real-world project implementations**.

Students showed great enthusiasm during the session and engaged in discussions on different project-related queries. The interactive nature of the visit helped students gain a better understanding of software development workflows and industry expectations.

Memorandum of Understanding (MoU) Signing

As part of strengthening industry-academia collaboration, KCGRPI signed an **MoU (Memorandum of Understanding) with Meander Software Solutions**. This partnership is

expected to benefit students by offering **internship opportunities, hands-on training, and joint research initiatives** in emerging technologies.

Sightseeing Visit to Anandpur Sahib and Virasat-e-Khalsa

Apart from the industrial visit, the students also had the opportunity to visit **Anandpur Sahib Keshgarh Gurudwara** and **Virasat-e-Khalsa** as part of their sightseeing tour. The visit to these historically significant places provided students with a chance to explore and learn about the **rich cultural and religious heritage** of Punjab.

Conclusion

The industrial visit was a **great success**, as it provided students with **valuable exposure to industry practices and current technological advancements**. Additionally, the sightseeing experience added a cultural dimension to their trip, making it both educational and enjoyable. Students expressed their gratitude for the opportunity and looked forward to more such visits in the future.
