

Report on Drug Awareness Drive Organized by KC Group of Institutions

Date: 27 March 2025

Location: Pandoga, Village

Organized by: KC Group of Institutions

The KC Group of Institutions recently conducted an impactful Drug Awareness Drive in the local village of Pandoga with the aim of educating the community about the dangers of substance abuse and promoting a healthier lifestyle. This initiative was a part of the institution's commitment to social responsibility and community welfare.

Active Participation from Various Departments

The event witnessed enthusiastic participation from students and faculty members across multiple departments, including Pharmacy, Management, Polytechnic, Hotel Management, and B.Tech. Their collective efforts played a crucial role in making the awareness campaign a great success.

Highlights of the Awareness Drive

1. Nukkad Natak (Street Play) Performance

- A captivating street play was performed by the talented students of the B.Tech department.
- The play depicted the harsh realities and consequences of drug addiction, effectively engaging and educating the local audience in an interactive manner.
- The performance received immense appreciation from the villagers for its realistic and emotional impact.

2. Slogan Writing & Recitation

- Students actively participated in writing and reciting impactful slogans against drug consumption.

- These slogans emphasized the harmful effects of substance abuse and encouraged a drug-free society.

3. Community Awareness & Interaction

- Volunteers from different departments interacted with the local villagers, spreading awareness about the physical, mental, and social consequences of drug abuse.
- They urged the community to avoid such substances and encouraged them to lead a healthy and addiction-free life.

Impact & Conclusion

The Drug Awareness Drive made a significant impact on the people of Pandoga, especially the youth, by educating them on the dangers of drug addiction and the importance of making informed life choices. The community responded positively, showing eagerness to spread the message further within their village.

The KC Group of Institutions remains committed to organizing such awareness programs in the future to create a better, healthier, and more informed society. The event was a testament to the power of education, collaboration, and social responsibility in making a meaningful difference.
