

REPORT ON WORLD ENVIRONMENT DAY CELEBRATION

Organized by: KC Group of Research and Professional Institutes, Pandoga

Date: 5th June 2025

Venue: College Campus and Surroundings

Introduction:

World Environment Day, celebrated on 5th June every year, is a global platform for raising awareness about environmental protection. In line with this year's theme, "*Our Land. Our Future. We are Generation Restoration*", KC Group of Research and Professional Institutes, Pandoga organized a Tree Plantation and Cleanliness Drive on campus.

Activities Conducted:

1. Tree Plantation Drive:

- A tree plantation ceremony was held in the college garden and surrounding areas.
- Faculty members, students, and non-teaching staff actively participated in planting over **100 saplings**, including neem, guava, amaltas, and gulmohar.
- The plantation aimed to promote greenery and enhance biodiversity around the campus.

2. Cleanliness Drive:

- A massive cleanliness campaign was conducted in and around the campus premises.
- Students and staff members were divided into teams and assigned specific areas.
- Garbage was collected, plastic waste was segregated, and awareness was spread about the importance of cleanliness and waste management.

Highlights:

- The event was inaugurated by the Director Sir and senior faculty members.
- An awareness talk was held on the significance of sustainable practices and environmental conservation.
- Placards and posters made by students were displayed to promote eco-consciousness.

Outcome:

- The event successfully instilled environmental values among the students.
- The campus environment was significantly improved through the efforts of all participants.
- A long-term maintenance plan for the planted trees was discussed and initiated.
